HORSE OF THE YEAR AWARD

SCORE SHEET

Competition Name _____ Date: _____

Judge Name (Please Print) _____ Judge Signature: _____

Best Horse Horse Name _____ Club Name _____

Please use the score sheet above to pick one horse as the outstanding horse for this competition. Show management is to have provided you with a complete list of all horses and clubs competing along with scratch paper for your notes. This score sheet should be **turned in to Fest Management at the end of the competition.**

Following are criteria to use in selecting the "best" horse. Keep in mind that the horse's way of going and attitude should be heavily weighed than the turn-out. You need not come up with a numerical score, merely your choice of the best.

Each horse selected by a judge at a competition will receive 1 point toward the Annual Horse of the Year Award. If two judges at a competition select the same horse, that horse would receive 2 points for that competition. The horse with the most points at the end of the year will receive the EVUSA's Annual Horse of the Year Award.
