All participating vaulters, lungers, and coaches must be AVA members in good standing by the close of entries, March 29, 2023 or pay the EVUSA non-member fee before beginning competition. Signature of a coach registered with the club is required on page 4. EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final. Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be the condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise. The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges. Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees. Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation. In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, biohazardous medical waste containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform. It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitably presented to appear before an audience.

**Motorized Vehicle Statement**

Minors who do not have a valid driver’s license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver’s license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver’s license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed “unsafe use” if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.
