MUSIC INFORMATION

MUSIC PROCEDURES ***** READ CAREFULLY TO AVOID FEES *****

This year there will be a \$25 late fee for EACH music file submitted late (beginning August 6th) or improperly named, not .mp3, or with the wrong class number or vaulter name. Late music fee not to exceed \$500 per registered club.

Yes, we get files with the wrong class numbers that were used for other competitions, the wrong format that won't play on a windows PC and even the wrong vaulter's names - nick names in the files make it very hard to find the music that matches the name on the Order of Go!

Have ONLY ONE person at your club in charge of uploading all your music to avoid confusion and multiple folders. All music needs to be .MP3 files uploaded via the internet by August 5th. If you have questions or need help, contact Carrie Wilkening at clj2485@gmail.com or 770-813-0183

1. Create an account at www.box.com.
2. Select a personal Account - Free for 10gb of secured storage.
3. Create a folder named: YourClubName_Nationals2023
4. Then, upload ALL music files by August 5th.
5. Share the folder with clj2485@gmail.com
6. Add a TXT note File (i.e. ContactInfo.txt) with your club's music manager's name, email, mobile phone, and pertinent composite team information

Naming convention for Title and Filename: *(use underscores and not spaces or commas)*

Use the vaulter's name as it appears in the order of go! **Please no nicknames!**

CLASS NUMBER(s)_CLASS ABBREVIATION_CLUB ABBREVIATION_VAULTERNAME_AVANUMBER

RENAME your .MP3 music file attributes Filename and Title the same, Artist is your club name and Album is NATIONALS_2022

PLEASE Do not use asterisks (*) in your music file names. This prevents the zip files downloaded from box from unzipping. This is happening because people are putting 1* , 2* or 3* in their file names.

**Class number in the file name should include the letter as well as numeric: Example
33B_BronzeFS_MSV_SallySmith_123
(not just 33_BronzeFS)**

BIOSECURITY MEASURES

Due to the recent Vesicular Stomatitis US outbreak, USEF and MEC are requiring additional biosecurity measures regarding horses from USDA confirmed VS affected states competing at USEF recognized events as well as all MEC events. Please review the [USEF competition safety and biosecurity page](#) in addition to the [MEC Biosecurity Procedures](#) (listed under Exhibitor Information) for updates as the competition date approaches as these protocols are subject to change.

All horses entering this competition are subject to these additional biosecurity measures to be eligible to participate in this event. An additional \$18 per horse fee has been added to the Horse Fee for this event to cover the cost of the licensed veterinarian on site for horse arrivals. Once confirmed with the vet, an arrival window (days and times) will be set in which all horses must arrive at the facility for this inspection. **NO HORSES WILL BE PERMITTED TO ENTER THE FACILITY FOR THIS COMPETITION OUTSIDE THIS ARRIVAL WINDOW.** If you have any questions, please contact competition management.
